Re: Records Request

Dear Mr. Ziegler:

On July 25, 2019, I received your request for records dated July 18, 2019 and addressed to the County Executive of St. Louis County, Missouri. I am the Custodian of Records for the Office of the County Executive.

The County Executive's Office does not possess records responsive to the request. St. Louis County did not have a contract with Securus, so no draft contract exists.

You indicated in your request that you also sent the request to the Department of Justice Services. Each St. Louis County department or office has its own custodian of records, so you received a separate response from the Department of Justice Services.

Sincerely,

A handwritten signature in black ink, reading "Michael F. Chapman". The signature is fluid and cursive, with the first name "Michael" being the most prominent.

Michael F. Chapman, Director of Operations
Office of the St. Louis County Executive
